

Coded Infinity Bonus Overview

Diagrams to follow illustrate the \$549 & 99 FS packages, however the concept of coded infinity bonuses applies to all the FS Packages as well as the Entire Product Line and their respective payouts.

Paid to Jill to Infinity (see Page 2 & 3)

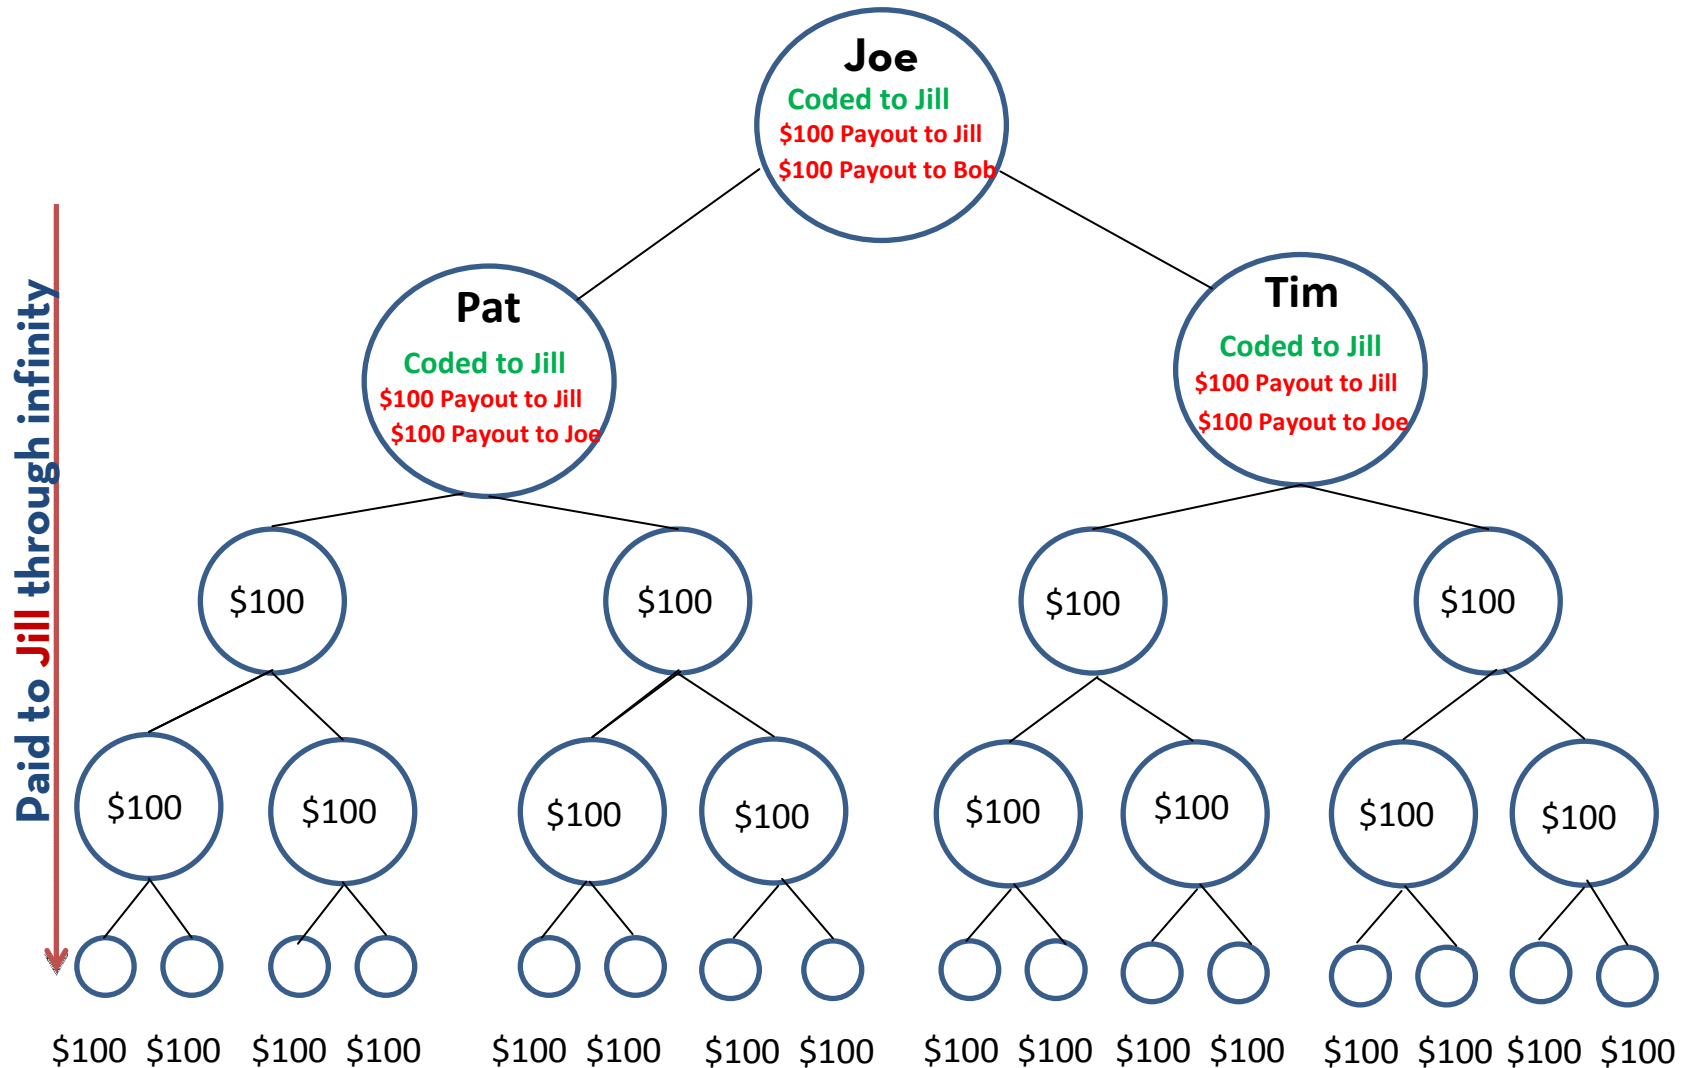

Assumption: Jill Has purchased the \$549 FS package, is active at 50pv and has 1 retail customers. Bob is also Jill's 3rd signup.

How do I Qualify?

1. Applies to Any Affiliate who purchases or has purchased (Grandfather Rules Apply) FS Package as well as any product.
2. Affiliates who wish to earn these monthly coded infinity bonuses must have 1 personal retail customer (25 retail pv minimum) purchasing product every month & be personally active at 50PV prior to the month ending. Otherwise, the coded infinity bonus flows upline to the next qualified affiliate with 1 retail customer (25 retail pv minimum), personally active at 50pv and that has purchased the respective FS Package or product.
3. The 3rd, 4th, 5th, 6th, etc. Affiliate shown in **RED** qualifies the sponsor to get the full FS bonus for the package purchased. It also now changes the coding to the sponsor (shown in **Red Circles**).

The Diagram continues to show how **Jill** receives \$100 coded infinity bonuses from Joe's team through Level 6.
